SELECCIÓN DE PIEL NATURAL PARA TAPICERÍA / NATURAL LEATHER SELECTION FOR UPHOLSTERY

· Colección Alexandra garantiza que las pieles naturales mostradas en esta selección están tratadas con las precauciones técnicas que permiten obtener la máxima resistencia a la abrasión y a la luz, además de una buena impermeabilidad. En referencia a la piel natural, pequeños arañazos e imperfecciones siempre presentes en la piel de un animal, no pueden ni deben ser considerados defectos, sino una constatación de auténtica piel. Estas imperfecciones son más visibles incluso en las pieles de mayor calidad. Los colores mostrados en estas fotografías son orientativos y pueden sufrir variaciones respecto a la pieza real.

· Coleccion Alexandra guarantees that our selection of natural leather is treated with the best technical processes. These processes are used to maximize resistance and protection against light, rubbing and water. Regarding natural leather, minor scars, imperfections and flaws are always present on animal hides. These are not to be considered defects but distinctive characteristics that add uniqueness and value to real leather. These imperfections are evident even on the best quality hides. Colors shown in these photographs are for guidance only and possibly subject to variation from the actual piece.
