

Finest Spanish Handicraft

The Traveler safe is an individually handcrafted high security luxury safe made from the finest leather. It is a true Masterpiece of design and elegance made to the highest standards while representing an inviolable barrier between the world and your most valued treasures.

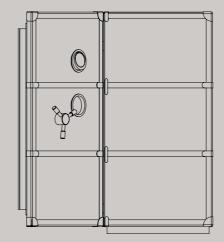

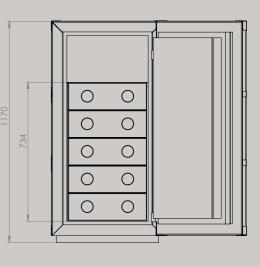

The Traveler Safe has been developed to comply with the EN-1143/1 European Standard of Security for safes, obtaining Security Grade IV. The quality of a safe is measured by the performance of the structural components incorporated, complemented by the locking systems. At Coleccion Alexandra, we implement the most advanced technologies in our production process.

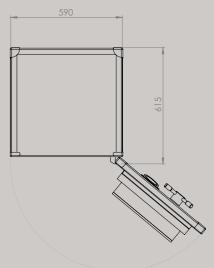

BLOCKED SYSTEM

Traveler Safe has a blocked system by electronic lock and double bitted keylock. Class B EN-1300. Also available with time delay and jamming function.
